FORMAT

30-minute working session

PART I

The opportunity.

Why the window is open now, and what it costs to wait.

The market is moving faster than incumbents can follow.

A short subtitle that earns the claim.

73%

buyers who change vendor within 18 months

Survey · 2026

2.4×

faster cycle for teams using the platform

Internal · 2026

€4.1M

median annual saving reported

Customer panel · 2026

Speed of change is the opportunity, not the threat.

Three windows on the same problem.

One frame at a time.

TODAY

The status quo and why it stalls.

RISK

What breaks if nothing changes.

TOMORROW

The shape of the fix.

Same problem, three vantage points.
